

Keeping it Simple

# FLEXiU – The future of Flexible working

- Staff management App
- Manages frustrations of flexible working
- Manage key H&S risks with flexible working (fire wardens/first aiders)
- Simple and Effective
- Know WHO is WHERE and WHEN
- Keep your lone-workers safe

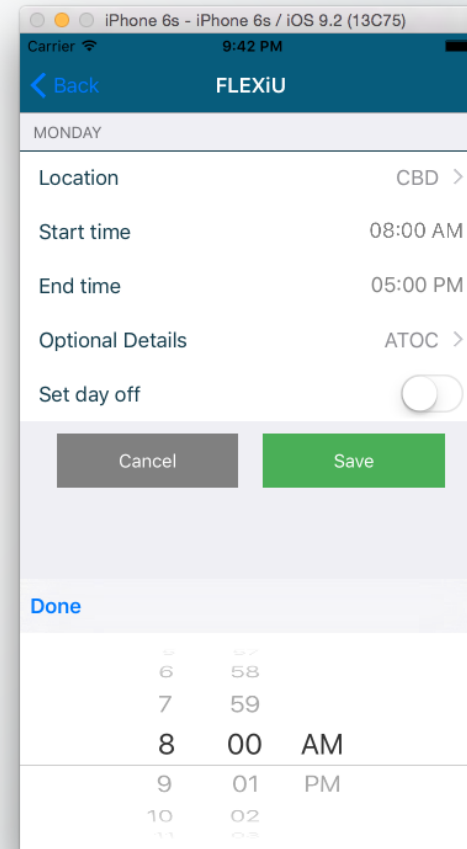

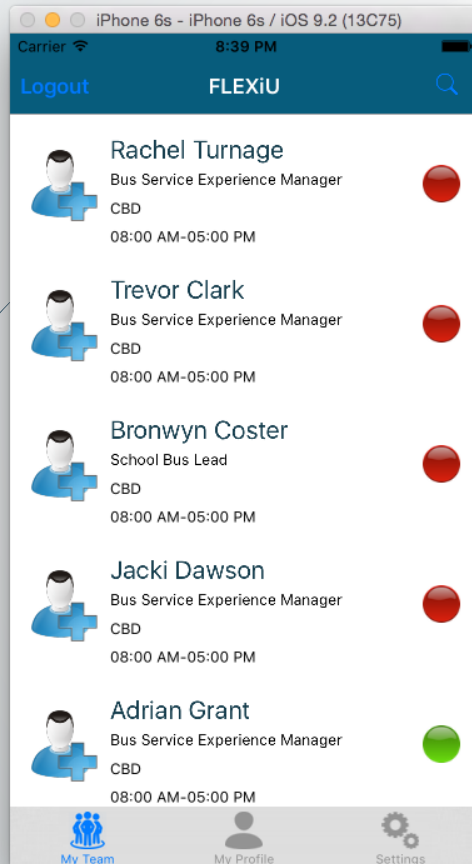

# Who is FLEXiU for?

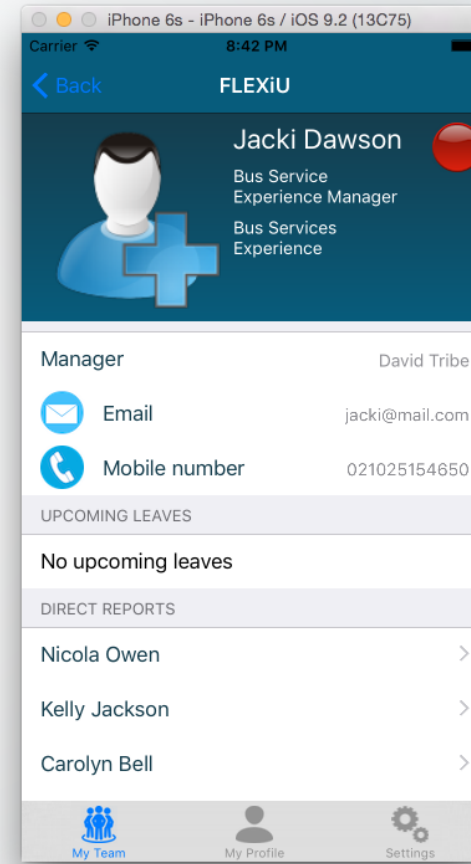

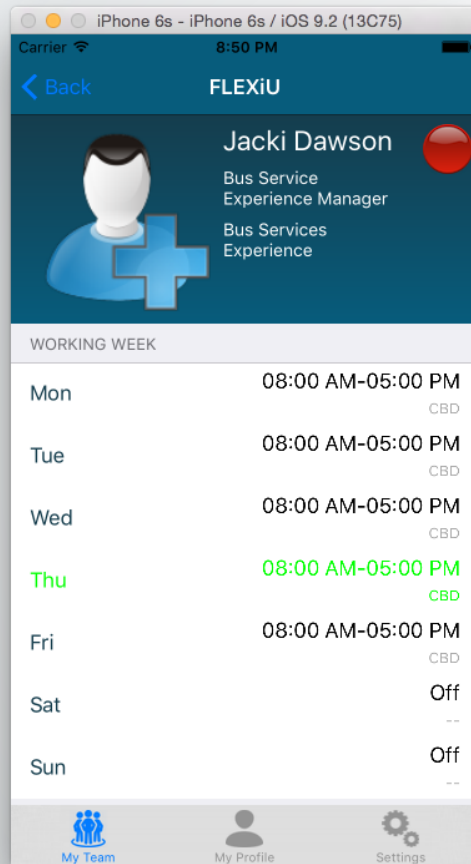

- FLEXiU helps any organisation manage their staff whether they are shift workers, on-call, work in various locations or simply adopt a flexible working environment
- Companies requiring staff on-site and/or working alone need to factor in the new H&S requirements
- Such as: Construction industry / health industry / hospitality / tourism / Retail & Customer Service

# Clean and simple
